Sri Satguru Jagjit Singh Ji E-library

Sri Satguru Jagjit Singh Ji E-library has been created with the approval and personal blessings of Sri Satguru Uday Singh Ji. You can easily access the wealth of teaching, learning and research materials on Sri Satguru Jagjit Singh Ji E-library online, which until now have only been available to a handful of scholars and researchers.

This new Sri Satguru Jagjit Singh Ji E-library allows school children, students, researchers and armchair scholars anywhere in the world at any time to study and learn from the original documents.

As well as opening access to our historical pieces of world heritage, digitisation ensures the long-term protection and conservation of these fragile treasures. This is a significant milestone in the development of the Sri Satguru Jagjit Singh Ji E-Library, but it is just a first step on a long road.

Please join with us in this remarkable transformation of the Library. You can share your books, magazines, pamphlets, photos, music, videos etc. This will ensure they are preserved for generations to come. Each item will be fully acknowledged.

To continue this work, we need your help

Your generous contribution and help will ensure that an ever-growing number of the Library's collections are conserved and digitised, and are made available to students, scholars, and readers the world over. The Sri Satguru Jagjit Singh Ji E-Library collection is growing day by day and some rare and priceless books/magazines/manuscripts and other items have already been digitised.

We would like to thank all the contributors who have kindly provided items from their collections. This is appreciated by us now and many readers in the future.

Forward

There is no final peak in knowledge. Beyond a cliff there is always a higher one to be scaled. The process is always on for progress. Every scholar covers a few stages in the path of inquiry, creating traces for others to go ahead. The ultimate is always there to attract further striving. This is the untouched, the unending beauty of the Goddess of learning.

Kuka history is a long, living story of sacrifice and struggle in the cause of culture and freedom. They were blown off with guns. They were the persecuted ones from village to village and province to province, They were isolated and exiled. They were the wounded souls of the Punjab in the post-annexation period. Yet, the spirit remained alive; the TORCH remained kindled, the faith remained aloft. More and more researches are bringing these facts to light.

Jaswinder Singh's publication of the "Kukas of Note in the Punjab" is an important link in the chain of researches on Kuka history. It will mean that the mead and honour of history is for all—the known and unknown soldiers of India's struggle for emancipation. It will also prove that every drop of blood in the cause of the motherland and every tear in the eye of the patriot is duly accounted for. However, much work requires to be done before kuka history reaches the take-off stage to glory.

Preface

Three volumes of Kuka documents (from 1863 to 1880 A.D.) have been compiled by Sardar Nahar Singh, M.A. under the heading of "Gooroo Ram Singh and the Kuka Sikhs." This book "Kukas of Note in The Punjab" is volume fourth in this series.

After the Kuka massacre of January 1872, British authorities carefully verified the activeties of the prominent Kukas In the Punjab. The Idea was to ascertain particulars regarding members of this sect who may attempt to obtain access to Guru Ram Singh at Rangoon/ Mergui in British Burma or creat disturbance in the Province. Therefore, a list of Noted and Influential Kukas' was published by the Central Police Office—Special Branch, Lahore on 31st December 1880. Copies of this list wera sent to all the District Superintendents of Police In the Punjab. One copy each was forwarded to Inspector General of Police, British Burma and Commissioner of Police, Calcutta for necessary action. All the District Supdts. were advised that "when a man mentioned in this list dies or does anything deserving of notice, a report to that effect may be IMMEDIATELY submitted, through the Deputy Inspector of Police of the Circle and that the fact may be also noted in the column for "Remarks" in the District Superintendent's copy of the list." This list contains the following categories :—

a) Those who were arrested, persecuted or asked to furnish securities, failing which they were imprisoned,

b) Those who sacrificed their properties.

c) Those who left their homes for their mission.

d) These who undertook the journey to British Burma to meet Gurn Ram Singh.

e) Some influential Kukas or Subas.

I hope this book will prove helpful to the Research scholars, writers and historians. I also request the living family members of these 'Noted and influential Kukas' to contact me for a fuller compliation of their records.

Shri Harvendra Singh Hanspal, M.P., Secretary General of Namdhari Darbar, Sri Bhaini Sahib has encouraged me to compile my first book. Therefore, the entire credit goes to him. Sardar Nahar Singh, compiler of first three volumes of the Kuka documents and writer of 'Namdhari Ithas' is my USTAD in this field. He gave me full support and useful guidence. I wish for his long life.

I am thankful to the officers and staff of Research Room and library of National Archives of India for their co-operation and help from where these documents have been taken. I am grateful to Dr. M.M. Ahluwalia, M.A., Ph.D., for writing the Forward of this book. His valuable suggestions helped me a lot. I am also thankful to my veteran colleague Babu Kartar Singh who, inspite of his old age, helping me in research work. Shri Harmeet Singh's timely assistance enabled me to complete this book before the 'Hola Festival 1984' at Bermingham, U.K.

At the end, I am very thankful to the Namdhari Sangat, United Kingdom for their support and help.
